SUBJECT: Please No New Restrictions on Gun Owners

Dear Mr./Ms. [NAME OF YOUR MP],

Thank you for representing the residents of [NAME OF YOUR RIDING].

I am concerned about the government's plans to ban more guns, and/or home firearm storage for hundreds of thousands of federally licensed hunters, farmers, recreational shooters and competitors.

This would have major consequences for many of my family and friends in our riding and across the country. Hunting and shooting are important parts of our culture and heritage as Canadians.

We will energetically oppose any new restrictions on honest Canadians, just as we will enthusiastically support any party that defends our rights.

I hope you will share these views with your colleagues.

Yours sincerely,
